CRR Aikido
Coventry

ANDY'S STYLE
Martial Arts

Dear Parent/Carer

Due to the nature of Aikido training i.e. the length of time between grading's and no competitions. I have decided to introduce a weapons syllabus with grades of various levels.

The children will be taught in the arts of the Aiki-Jo (short staff Aikido style), Stick techniques, Bokken (wooden sword), Nunchaku, Kubotan (5 inch key ring) and knife defence.

I have decided to seperate these grades from the standard Aikido grades as their scope is far greater then the art of Aikido.

It would be advantageous to those training to have their own weapons sets. Firstly to

enable them to practice more than once a week at home, secondly I simply cannot carry enough weapons for everyone. Main set required would be a Bokken, Jo and Case to carry them. They can be purchased individually or as a set. Prices as bellow:-

I would like to purchase

		Amount	Sub Total
Bokken (white oak)	£12.00		
Jo (white oak)	£12.00		
Case	£10.00		
Set	£30.00		
		Total
